

Eva Marie Fitzsimmons Bio

Eva Marie Fitzsimmons graduated with highest honors from Pratt Institute with a BFA in Painting in May 2015. She is currently an instructor at Around the Corner Art Center in Freehold & Morganville, New Jersey. Eva Marie teaches all ages, from children as young as five years old to adults in all media. In addition, she is also a Licensed Real Estate Salesperson and Office Administrator at Joseph A. Del Forno, Inc. in Freehold.

Eva Marie's paintings are typically derived from architecture and man-made structures she has come across during her travels. These travels need not be to faraway places, but from moments that exist and soon come to pass, as one would experience travelling on a train, for example. She freezes these moments in time by photographing and reimagining them in her contemporary precisionist style.
